PGM Division One apparently had some problems with keeping complete records of the men during the latter half of 1945. There are letters from the Bureau of Naval Personnel in the record requesting rectification of discrepancies and omissions in the musters and reports of changes. The initial cover sheet of the musters has in handwriting: "From 9-30-44 to 12-1-46 Decomm" {presumably an error, should be decommissioned December 1, 1945 or was it supposed to be January 12, 1946?}.

The cover sheet for each quarter is signed by the Commanding Officer as provided below.

30 SEP 44, 31 DEC 44, 31 MAR 45 P. W. Hessel, Lieut., USNR, Commanding Officer

1 JUL 45, 1 OCT 45 M. S. Dillon, Jr., Lieut., USNR, Commanding Officer

M. S. Dillon, Jr., Lieut., USNR, also signed the Report of Changes for month ending 1 NOV 45. The last Report of Changes, dated month ending 1 DEC 45 is not signed.
