USS SC-1035 was commissioned on May 17, 1943 and converted to USS PGM-3 late in 1943. According to the ship's log, the PGM-3 was decommissioned on January 12, 1946. The last entry for the ship's muster rolls is dated January 1, 1946. The departure dates for a few of the crew after January 1 are present in the ship's log and are provided in the table above. However, there are some men on the muster for January 1, 1946 that are not listed with a departing date in the ship's log. These men are listed above with a departing date "after 1 JAN 46." The ship's officers are normally not listed in the crew musters. However, the officers were listed on a quarterly basis in the ship's logs, which are available at this web site ([www.lafavre.us/navy](http://www.lafavre.us/navy)).
